Editorial Policy

SZIC feels honour in providing a podium by publishing original material of interest to the research scholars, *Ulema*, and sociopolitical scientists, in the broad field of Islamic social sciences. ***Al-Azṣvā*** is an academic refereed journal published two times a year (Summer and Winter). Manuscripts will be considered for publication only if they have not been published previously and are not under consideration for publication elsewhere.

The Review Procedure

Manuscripts that are submitted to ***Al-Azṣvā*** are subject to evaluation by at least three independent referees (including two from technologically advanced countries) who are expert in the applicable field. The decision to accept or reject a manuscript rests solely with ***Al-Azṣvā*** Editorial Board. This decision is final. The Editorial Board will, however, base its decision primarily upon the recommendations of the referees who have evaluated the paper.
